

Semi-Rigid Circular Ductwork

Air Excellent semi-rigid plastic duct 3" with antimicrobial and anti-static properties.

- Semi-rigid plastic ducts on a 50m roll
- Extremely easy to install
- NO Screws, NO Duct Seal, or Tape
- Low system pressure loss due to radial design
- Airtight thanks to Click & Seal mechanical connections

Description	Part #
Air Excellent AE34C Semi-Rigid Duct Anti-Microbial & Anti-Static 50m	188661
Air Excellent 1x AE34C Valve Adaptor 125mm 90° with mounting strip	188972
Air Excellent 2x AE34C Valve Adaptor 125mm 90° with mounting strip	188974
Air Excellent AE34C Connector Kit	188993
Excellent AE34C Click-Seal Ring (10 Pieces)	188991
Air Excellent Duct Tie wraps with screw saddle (100 pcs)	188978-100

Distribution Boxes

Distribution boxes are the heart of Air Excellent's configurable system. The Air Excellent Pressure Configurator software will precisely define the quantity of duct runs and the arrangement of restrictor plates. Ubbink's Distribution Boxes are supplied with enough restrictor rings and caps to complete the installation.

Description	Part #
Air Excellent distribution box DB206V125-200 6 connections	188960
Air Excellent distribution box DB206H125 6 connections	188642
Air Excellent distribution box DB208V125-200 8 connections	188961
Air Excellent distribution box DB212V125-200HE 12 connections	188962
Air Excellent distribution box DB212V125-200VE 12 connections	188964
Air Excellent distribution box DB216V125-200VE 16 connections	188965
